APPENDIX A

IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

You should carefully consider whether a replacement is in your best interests. You may have to pay costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at a lower cost.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the remainder of this form.
